

STAY ON THE ROAD

FOR SENIOR DRIVERS IN BC

Are you nearing 80 and wondering about driver assessments?

You will want to attend our virtual workshop!

This practical guide for senior drivers will help you learn more about driver assessment. It will be of particular interest to drivers who are nearing the age of 80. However, drivers of any age are welcome to attend and everyone will find the workshop useful. Participants will learn about the ICBC and Road Safety B.C. Assessment which determines whether they can continue to drive.

This workshop is a joint presentation of the Seniors' Health & Wellness Institute (COSCO) and the Insurance Corporation of British Columbia.

This free workshop will be held via Zoom on:
