Working with communities in  
BC's North, Interior, Lower Mainland,  
Central & Northern Vancouver Island

# Workplace Volunteers are here to help you with your Programs!

United Way BC is connected to workplaces who would like to support our non-profit partners by providing committed and reliable volunteers to help with community needs.

What do we do for you:

- We help to develop the roles and volunteer position descriptions for your regular programs or special events.
- We recruit suitable groups of volunteers to meet the needs identified.
- We support you with scheduling and arranging groups of volunteers.
- We provide a list of confirmed volunteers two weeks before their scheduled shifts.

Group sizes are based on your identified needs. Opportunities that can host groups of more than 5 are preferred.

Workplace groups are scheduled to volunteer during the working week and working hours (8:30-4:30), but some variations of timeframes are possible.

For larger groups of more than 10 volunteers we are able to suggest a donation to your organization to accommodate a custom opportunity. For example, A harvest event that hosts 20 volunteers will require a workplace donation of \$500. We will work with you to help identify the appropriate donation.

If you have any questions or would like to connect to learn more about workplace volunteering, please contact Olena Skorokhod ([olenas@uwbc.ca](mailto:olenas@uwbc.ca)).

We are here to help you - United we are stronger!
